And we know that in all things God works for the good of those who love him, who have been called according to his purpose. Romans 8:28

Mom,

Our hearts hurt from losing you but we trust that you are in good hands with God and all of your beloved family members that passed before you. You were an amazing individual, always kind, generous, compassionate and full of love. You were a devoted daughter, an incredible wife and mother. You raised us with positive values and supported us in every way that you could. When life was difficult you never gave up and never looked back. You remained positive and open to new encounters. Your sheer determination got you through so much.

You loved helping people in need and dedicated much of your life to various church & charity organizations. Your faith was strong and your moral compass was always intact.

Mom, you are a mother of many gifts. Your faith and trust in Heaven's love have sheltered and led us, your family and friends to the way to true happiness. All the hours you spent in prayer for us, your family, your friends and many others have made you a prayer warrior for Heaven. A mother's prayer to her Savior is always heard and is a light of hope for all of us. Your prayer of praise and glory with Mary, our Heavenly Mother is cherished and we are grateful for this gift of love.

We are truly blessed and grateful to have you has our mother. Thank you Mom—you will be greatly missed!
