In Loving Memory of

Denise Danielle Soulliere

1971 ~ 2025

Each of us has a special Light within us
a flame that shines with Love, Truth, and Peace.
We're here to let it shine by being Caring and Loving
to ourselves and others.
When we Love, our flames grow brighter—together.

Now, my flame has returned to something even
bigger—not gone, just changed.

You might feel me in the warm sunshine, see my smile
in the glow of a candle, or listen for me in a breeze by
the ocean.

I'm not really gone, so don't feel sad.
I'm always with you.
It's not goodbye—it's just "see you later."
