In Loving Memory of

Gordon Louis Ronald Butler

1973 ~ 2025

It is with profound sadness that we announce
the unexpected passing of our dear
son / brother / uncle Gord due to heart disease.

Throughout his life, Gord made many friends as he moved around between Vancouver Island, mainly in the Port Alberni area, the lower mainland of BC and his childhood home in Morninville, Alberta where much of the family still resides.

Gord was the proprietor of Island Earthworks and spent his spare time enjoying the wilderness and natural beauty of the Island.

He loved his friends & family and activities like fishing, hiking, or panning for gold.

He leaves to mourn his passing his mother, Sharon,
brother, Pat, niece, Amanda, and many
wonderful friends & relatives
across British Columbia and Alberta.
