IN REMEMBRANCE

It is with broken hearts and deep sorrow that we announce the passing of Ben and Kaley, devoted parents, beloved partners, and cherished friends, who left this world far too soon along with their beloved dog Haven. They are survived by their two beautiful children, Amelya and Aaden, who were the light of their lives and their proudest joy.

Ben and Kaley shared an unbreakable bond — one built on laughter, shared adventures, and a deep love for their family. They were partners in life and in spirit, with a connection that was evident to all who knew them.

Their passions were as bold as their spirits. Together, they embraced the thrill of the open road — for every road trip, every roadside stop, every laugh under a helmet, or on an adventure with the kids creating special family memories. Their compassion extended beyond people, as they were also devoted dog lovers, always surrounded by their loyal four-legged companions.

Their home was filled with warmth, energy, and the sound of children's laughter, engines revving, and paws on the floor. They were known for their generosity, adventurous spirit, and unwavering love for their children, family, and friends.

Though their time here was tragically short, their impact was immense. The memories they created, the love they gave, and the lives they touched will continue to live on in the hearts of all who knew and loved them.

They are survived by their two children Amelya, Aaden and their fur babies Harvey and Millie. Ben's Parents: Daniel & Grace Kipper, Brother Matt Kipper and Sister Jackie Paas (Greg). Kaley's Parents Ryan Stewart (Anna) & Audrey McDonald (Allan), Siblings: Cody Stewart (Erin), Sarah Ryland (Tony), Candyce Baines (Blaine), Cameron McCorkindale along with many nieces, nephews, cousins, aunts and uncles and wide circle of friends.

Together Always

Two hearts so full, two souls so bright,
Taken too soon into the light.
Your laughter echoed, your love ran deep,
In every hug, in dreams, in sleep.

You built a world with gentle hands,
A family formed with loving plans.
Though roads have turned and paths divide,
Your love lives on, it's never died.

The sun may set, the night may fall,
But in our hearts, you still stand tall.
Together still, beyond the skies,
With every star, your spirits rise.

In every smile your children show,
In winds that whisper soft and low,
You live in love, you guide, you stay—
Not gone, just gently moved away.

Thank You

A special thank you for the love and care extended to our families and especially their children, Amelya and Aaden during this time of deep sorrow. Your support reminds us that they are not alone and that the legacy of their parents will live on through every act of kindness shown to them. We are deeply grateful for the love and friendship you have all shown during this time.

In lieu of flowers a fund has been established to support their beloved children Amelya and Aaden:
