In Loving Memory

Calogero Paolo Firenze

May 12 1938 - June 24 2026

God's Garden

God looked around his garden, And found an empty place,

He then looked down upon the earth, And saw your tired face.

He put his arms around you, And lifted you to rest.

God's garden must be beautiful, He always takes the best.

He knew that you were suffering, He knew you were in pain.

He knew that you would never, Get well on earth again.

He saw the road was getting rough, And the hills were hard to climb.

So he closed your weary eyelids, And whispered,. 'Peace be thine.

It broke our hearts to lose you, But you didn't go alone,

For part of us went with you, The day God called you home

Celebrate My Life

Remember me with love and joy,
Let gratitude fill your heart.
Thankful for the time we had,
Gone... yet not apart.

If we measured life in moments,
Not in months or years,
I lived a hundred lifetimes,
Loved by all who hold me dear.

I hope you'll find your smile,
And generously speak my name.
Share stories and my heart,
Your love for life unchanged.
Celebrate the life I lived,
I will be watching from above.
I am always with you,
Sending you my light and love.
