God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace be Thine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

On behalf of the Lapus
and Medina family

We thank all who have come
to honour Willy at this memorial
service to celebrate his life

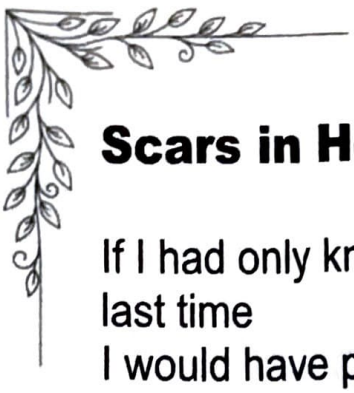
There's not a day goes by that I don't see you
You live on in all the better parts of me
Until I'm standing with you in the sun
I'll fight this fight and this race I'll run
Until I finally see what you can see

Chorus:

The only scars in Heaven
They won't belong to me and you
There'll be no such thing as broken
And all the old will be made new
And the thought that makes me smile now
Even as the tears fall down
Is that the only scars in Heaven
Are on the hands that hold you now

The Goodness of God

And all my life You have been faithful
All my life You have been so, so good
With every breath that I am able
I will sing of the goodness of God



Scars in Heaven

If I had only known the last time would be the last time
I would have put off all the things I had to do
I would have stayed a little longer
Held on a little tighter
Now what I'd give for one more day with you

'Cause there's a wound here in my heart where something's missing
And they tell me that it's gonna heal with time
But I know you're in a place
Where all your wounds have been erased
And knowing yours are healed is healing mine

Chorus:

The only scars in Heaven
They won't belong to me and you
There'll be no such thing as broken
And all the old will be made new
And the thought that makes me smile now
Even as the tears fall down
Is that the only scars in Heaven
Are on the hands that hold you now

Bridge:

Hallelujah
Hallelujah
Hallelujah
For the hands that hold you now
